* Dedication *

For Bill

who played us in

horizon
wild swan drifting through
the woman's body

raymond roseliep

horizon
with sweat dripping through
the woman's body.

my word now

early April rain
that woman fills every jar
seals them forever

sister mary thomas eulberg

early April rain
that woman like every jar
seals them forever

silver heavy thorns only

snowmelt . . .
she enters
the earth on her knees

bill pauly

... snowed out
she exists
the earth on her knee
will grow

the wild canary
sings
outside my cage

donna bauerly

the wild canary
sings
outside my cage

home beauty

a single strand
of spider silk
stops her

dan burke

a single strand
of spider silk
stops her

dan jacob

aloof neighbors
our trees
touching

barbara resslar

about neighbors
can we
talking

barbarians' answer

eating alone
my alphabet soup
speaks to me

brenda duster

standing alone
my alphabet song
speaks to me

Freddie Astaire

that Venus!
leading the cupped moon
through every turn of the road

connie meester

that I must
reading the cupped moon
through every turn of the road

CONCORD

your fingers touch me . . .
sunlight on the tree
moves down the trunk

valorie broadhurst woerdehoeff

your fingers touch the
sunlight on the top
moves down the back

valerie broadhurst weaver

naked at the ironing board
concentrating
on a crease

marilyn taylor

Naked at the ironing board
concentrating
on a cross

Barthyn is

conservatory,
the carnivorous plants
behind glass

jeanne harrington

conservatory
the carnivorous plants
behind glass

jeanne harrington

fall
seeing farther
into the forest

paula gieseeman

fall
seeing farther
into the forest

Paula Hesseman

after the funeral
whiskers still
in his razor

becky barnhart

after the funeral
whiskers still
in his razor

becky baron

child's wake
the weight
of rain

francine banwarth

child's wake
the weight
of rain

francine benward

things I'd given him
stacked neatly on the table
at her garage sale

cynthia cechota

things I'd given him
stacked neatly on the table
at her garage sale

Caroline's car

sizzling through me
this hot night
locusts

jane morgan

sixling through me
this hot night
locusts

jane morgan

a spider
reconnecting things
I hosed off yesterday

jennie stabenow

a spider
reconnecting things
I posed off yesterday

female spider

autumn river
my hand chilled
on the tiller

gail chavenelle

Autumn river
my hand chilled
on the tiller

Jail chavanelle

winter solstice
pulling the silver
from my hairbrush

georgia mihalakis

winter solstice
galling the silver
from my hairbrush

george m. h. h. h.

soba noodles . . .
the new year
slips in

sandra nickel

soba noodles . . .
the new year
slips in

sandra nichel

in her hand
the downed branch
dancing again

carol pearce-worthington

in her hand
the dove and branch
hanging again

Carol Pearce-Kristoferson

morning fog
gray blends
river into sky

jayne miller

morning fog
gray blends
river into sky

loose rolls

monastic chant
echoes
from the darkening stone

josh miller
