1578
full moon
returning
to an empty house

1583
full moon
sipping
the whiskey you sent

1586
full moon
can you move
a little closer

1585
full moon
in the garden
passing Blanket Flower

1595
full moon
appearing
suddenly drunk

1597
full moon
behind screen
your outline

1599
full moon
peeking
through your window

1600
full moon
swaying
bamboo

1601
old fool
looking
in this light

1630
full moon
in our garden
plum blossoms

1633
full moon
calling
unexpectedly

1635
full moon
seeing you
with my own eyes

1636
full moon
every step
this joy

1641
full moon
swimming
shrimp-like

-inevitable!

1643
full moon
crossing
to your house

will
I
see you again?

1644
full moon
sending
another love poem

1645
full moon
right on time

how are we doing

1646
full moon
coming around again
-no one said it'd be easy

1647
full moon
fearlessly
from behind a cloud

1648
full moon
peeping out
a little mouse

1649
full moon
just a happy
horny old fool

yee-oww!

1650
full moon
under cover
of darkness

1651
full moon
sticking
to the dawn

1652
full moon
practicing
over and over

1654
full moon
opening
as you are

a responsibility

1655
full moon
harder and harder
to hide

1656
full moon
abundant
in the lake

1657
full moon
through your window
croak of a raven

1658
full moon
sticking
to your story

1659
full moon
breaking through
fearlessly

1660
full moon
today is a good day
to call you

1661
full moon
in the pond
skinny-dipping

1662
some daffodil !
playing
in this breeze

1663
full moon
shinning—
but,
I could be wrong

1664
full moon
going your own way
over and over again

1665
full moon
opening the door
to see more fully

1666
full moon
with you
under the blankets

1668
full moon
caught
with my pats down

1669
full moon
plunging into the lake

shocking!

1670
full moon—
think I'm in love
with a rock

1671
full moon
right
where you are

1672
full moon
getting
to the juicy stuff

1673
full moon
changing
to stay the same

1674
full moon-
enough about you
let's talk about me

1675
full moon
coming around
to my point of view

1676
full moon
wavering
the old poet

1677
full moon
dissolving
in this wine glass

1678
full moon
keeping
an eye on you

1679
half-moon
nailed
to the out-house door

1680
full moon
also
in the open

1681
full moon
revealing
my other friend

1682
full moon
from behind a cloud
once again numerate

1683
full moon
in the middle
of your eye

1684
full moon
communicating
in this space

1685
full moon
slipping
on the ice

1686
full moon
shining
as best you can

1687
full moon
here
when you come

1688
full moon
softening
what's in the
refrigerator

1689
full moon
lighting
the way
to your house

1690
full moon
moving
down the mountain

1691
full moon
returning
clouds, waves

1692
full moon
beneath
weeping willow

1693
full moon
neither
picking or choosing

1694
full moon
clearly
looking at you

1695
full moon
on the rock
with you

1696
full moon
in my cup
your reflection

1697
full moon
decorating
eyelash begonia

1698
full moon
drinking
the saké
you made

1698a
full moon
alone
drinking saké

1699
full moon
helping
wash the dishes

1700
full moon
foolishly
blundering in

1701
full moon
against the wall
our shadow

1702
full moon
dancing
in the nude

1703
full moon
I like
You like

1704
full moon
calling you
someone else

1705
full moon
waiting
for your letter

1706
full moon
thickening
the soup

1707
full moon
stuck
in this whiskey

1708
full moon
cutting through
to kiss you

1709
full moon
here again
with nothing to say

1710
full moon
moving
to catch a glimpse

1711
full moon
come again

I miss you

1712
full moon
reminding me
to let the cat out

1713
full moon
could you move
a little closer

1714
full moon
yesterday
I was a rock

hard to believe

1715
full moon
I think I'm in love
with a rock

1716
full moon
shining
just there

just there

1717
full moon
couldn't wiggle out
of your hugs

1718
full moon
catching me
with my pants down

1719
full moon
practicing
with you

1720
full moon
dissolving
in my point of view

1721
full moon
skipping
every detail

1722
full moon
skipping
warm hugs

1723
full moon
coming through
"Shut the door. I'm
naked!"

1724
full moon
on your shoulders
Hee! Hee! Hee! Hee!

1725
full moon
squeezing
unexpectedly

1726
full moon
neither
owing either

1727
full moon
teaching
who what of

1728
full moon
hiding
guess who

1729
full moon
playing
cat and mouse

1730
full moon
climbing
another way

1731
full moon
playing
not so easy

1732
full moon
coming
at a bad time

1733
full moon
trying
to remember
the last time

1734
full moon
cooking
translucent noodles

1735
full moon
springing
rat trap

1736
full moon
hiding
in blackberry wine

1737
full moon
running
to the mailbox

1738
full moon
rising
above cereus

1739
full moon
quickly
dropping petals

1740
full moon
coming
by itself

1741
full moon
sipping
from your glass

1742
full moon
hummingbird
on fuchsia blossom

1743
full moon
rising
billow of fragrance

1744
full moon
croaking
frog sutras

1745
full moon
moving
through your gaze

1746
full moon
entering
from here

1747
full moon
talking
'til dawn

1748
full moon
exactly
where I left you

1749
full moon
in your garden
weeping willow

1750
full moon
drowning
in your hugs

1751
full moon
behind
your outline

1752
full moon
could be
magic

1754
a repeat
skipping
this full moon poem

1755
full moon
blossoming
in your hair

1756
full moon
in the shadow
weeping willow

1761
full moon
keeping
an eye on you

1766
full moon
waking
old raccoon

1767
full moon
in the sound
old hooty-owl

1768
full moon
chipping
away at...

1769
full moon
fondling
in the dark

1770
full moon
remaining
in this position

1771
full moon
pushing
towards you

1773
winter moon
bracing
evening primrose

1775
full moon
can't keep my eyes
off of you

1777
full moon
leaping
over this horse-shit

1778
full moon
falling
into the bush

1781
full moon
heron-stepping
among fallen leaves
(clothes?)

1782
full moon
again
using me

1783
full moon
taking
short cut to you

1784
full moon
cutting
through

1785
full moon
watching it
in your eyes

1787
full moon
everyday
finding me

1788
full moon
falling
tangled hair

1789
full moon
floating
with you

1790
full moon
everywhere
fragrance

1791
full moon
changing
your clothes

1792
full moon
mornings
given to herself

1793
full moon
Ahhhh!
surprising even me

1795
full moon
entering
inch by inch
--Issa's

1796
full moon
have I been
neglecting you?
--Fay's

1797
full moon
jumping
over my experience

1798
full moon
coming to see you

1799
full moon
fully
Happiness-mind
--John's

1800
full moon
making another vow
-"I'll get over it."

1801
full moon
just waning
-so long!

1802
only way
see moon
go out
-LOOK!

--Nanao's

1803
watching you
what use
fucking full moon

1804
full moon
every
step of the way
